Thanksgiving Dessert

We are thankful for all of our wonderful families. We look forward to you joining us.

WELCOME our New Teacher

Please welcome Ms. Gladys to our Infant Program. She will be working M-F 1:30-6:00.

Tuition Express

We are currently in the process of rolling out a new system to assist our families in paying their tuition.

Tuition Express will help insure all families have a secure and safe way of paying their child's tuition. More information is available in the office. Please see Ms. Joni for further details. We encourage all of our families to explore this new option of Tuition Payment.

Immunizations

Due to our licensing regulations all children need to be current on their immunizations. When your child visits the pediatrician and receives their immunizations please make sure that you are bringing a copy to school so we can update our files. If your child is not current on all of their immunizations, they will not be allowed to remain in school. Thank you for your support in this.
